COST OF OWNERSHIP (COO)

Case A

COST of a product **Rs 3000**
Life of product **3 years**
COO **1000 / yr***

Case B (INFINITI)

COST of Infiniti product **Rs 5000**
Life of product **15 years**
COO **333 / yr**

** add hassle of replacement / repair / bad ergonomics (incalculable)*

What appears **cheaper**, is actually
300% more expensive

INFINITI furniture will serve you for more than 15 years

INFINITI

#6

Return on
investment

Getting things into perspective !

Furniture constitutes

< 5% of the total capital cost for a new school

A fraction of a year's fees collected by a school

But is the **ONLY** item in a school that is **CONSTANTLY** in contact with the students and can impact **LEARNING OUTCOME**

Can you AFFORD to compromise on such an IMPORTANT ASPECT !!

INFINITI

#6

Return on
investment

INFINITI

#7
